PROFESSIONAL SUMMARY

- Computer Science student at Addis Ababa University with hands-on experience developing and deploying web applications.
- Focused on frontend development and responsive interfaces using HTML, CSS, JavaScript, React, and React Router.
- Familiar with Git/GitHub, API integration, browser storage, debugging, and deploying projects online.
- Seeking a frontend development internship or junior developer role to contribute to real projects and continue growing as a software engineer.

CORE TECHNICAL SKILLS

Programming & Web: JavaScript, HTML5, CSS3
Frameworks & Libraries: React, React Router
Tools & Platforms: Git, GitHub, Visual Studio Code, Vercel, JSON Server
Frontend Development: Responsive design, component-based development, client-side routing
Data & Debugging: REST API integration, data fetching, localStorage, debugging and troubleshooting

SOFT SKILLS

Problem-solving and analytical thinking • Attention to detail • Independent learning • Time management and organization • Communication and collaboration • Adaptability

PROJECTS

JobNova — Job Discovery Platform

Technologies: React, JavaScript, CSS

- Independently developed a platform to help users explore job opportunities and manage their job search.
- Built job listings with skill and salary filters, profile editing, and skill-match percentages.
- Implemented application status tracking for applied, awaiting response, interview, rejected, and hired.

Lumora — Blog Platform

Technologies: React, JavaScript, React Router, JSON Server

- Developed a platform for browsing and reading blog articles, with a structured interface for individual posts.
- Integrated JSON Server to retrieve and manage blog data, and built search and recommended-content features.

BACKGROUND

PROJECTS — CONTINUED

Personal Portfolio Website

Technologies: React, JavaScript, CSS

- Designed and deployed a responsive portfolio presenting technical skills, background, and development projects.
- Organized project information and links to live applications in a consistent, easy-to-navigate interface. View portfolio

EDUCATION

Addis Ababa University

Bachelor of Science in Computer Science | Second-year student

- Current GPA: 4.00

Catholic Kidanemhret Church School

High School Education | Graduated 2025

- Achieved strong academic results and developed a solid foundation in mathematics and physics.

AWARDS & ACHIEVEMENTS

- Ethiopian University Entrance Examination (EUEE): Scored 544.6 out of 600.
